## Change to Rubbish Bin Services

The day of your rubbish bin collection may change from 23 December. A sticker will be placed only on those bins that will be allocated a new collection day.

Look out for the sticker between 16-23 December, so that you know if your collection day has changed.

If you have concerns about your bin collection up until 31 December, please call 1300 22 55 77.

## Change to Library Services

Library services will not be shared between Rockhampton Regional Council and Livingstone Shire Council post 1 January.
